*But let all who take refuge in You be glad,
Let them ever sing for joy; And may You shelter
them, That those who love Your name may
exalt in You. Psalm 5:11*

Harbor is busy meeting, inviting, helping, feeding and introducing people to the Kingdom of God!! We had a new salvation in July and several visitors. We are making a difference in our community by volunteering at Dominican Hospital's garden, serving monthly at Elm Street Mission and recently we participated in a church day in the park where many ministries from Santa Cruz came together to minister to the different needs of our community!

Friday – Saturday, July 20 & 21, 6:00 pm – 6:00 pm- Harbor will be participating in the Relay for Life cancer relay. Visit our team page to make a donation, participate with us, or donate towards a luminara bag with the name of your loved ones affected by cancer on it-

Note from Ron

Over a year ago under God's direction we started looking at different types of properties to buy; condos, townhouses & mobile homes (less expensive, because we couldn't afford an actual house). With the market dropping as it has we looked far and wide. With several "NO's", we even made an offer on an 819 square foot condo at \$417,000 and were turned down. We continued to go to God and His promises. He gave Denise a dream telling her we were to change our direction, He would show us the house and the way to get it. Several months later God gave another dream, this time Denise was in a government building with a garage sale going on inside. She was able to purchase great merchandise at a very discounted rate. As we kept persevering, changing our direction by making the decision to not work with a realtor any further, but by ourselves, and waiting for God to show us the house. A Measure J home (Measure J is a county program (*government*) to help families get into homes because we are in a very high priced area), came available, we put the paper work together and waited for the random drawing. The day of the drawing God gave a third dream. There was a group of what looked like people, all four of us were in it, but as you looked closer they were actually sparrows. God's hand's came down and picked them up. Going to the Word, God gave us this verse on sparrows,

Psalm 84:3, Even the sparrow has found a home, and the swallow a nest for herself, where she may have her young— a place near your altar, O LORD Almighty, my King and my God.

We were chosen number three in the drawing!! There were three houses available! We got an incredible 1400 square foot house for only \$235,000, which normally goes in the \$800,000 range. It is in a gated community with our back yard being Nisene Marks- an incredibly beautiful forest.

Through this whole process God kept telling us that He was establishing us to a deeper degree personally, in return it was for Harbor. He also kept telling us He was giving us our inheritance. This house has proved just that, this is a property we will never sell, but pay off and be passed down to the boys, truly our inheritance!!

Thank you God, may all the glory go to you!!!
